

Company: Sugar Creek Baptist Church

Job Title: Creative Media Producer

Description: The Creative Communications team at Sugar Creek Baptist Church is a highly creative and collaborative environment. We are a team of producers, directors, artists, designers, writers, programmers, technicians and musicians who are passionate about developing and executing shockingly beautiful, creative media to reach an audience who respond to spiritual concepts spoken in a visual language. We are currently seeking a full time Creative Media Producer to add to our team.

#### JOB SUMMARY:

The Creative Media Producer is a creative, energetic and organized team member with the ability to conceptualize, strategize, create and produce long and short form video projects, interactive media, and motion graphic designs. The primary focus of this position is to develop and produce creative media for our Student Ministry through individual ability and by building and leading a volunteer ministry. This will involve:

Pre-production: concept meetings, script-writing, storyboarding, scheduling, and budgeting.

Production: Directing cast and crew, acquisition of video and audio, lighting and photography.

Post-production: logging, digitizing, editing, design, mixing, color correction, and output to various media formats.

The CMP is a devoted follower of Christ who maintains a life of spiritual development and accountability. The Creative Media Producer is a team player who exemplifies a positive "can do" attitude, creates and maintains a superior working environment and fosters an attitude of professional excellence.

#### DESIRED SKILLS AND EXPERIENCE:

A committed follower of Jesus Christ with a call to ministry work for the purpose of utilizing video production to impact our community and world for Christ.

One year of professional video production experience.

A pro-active work ethic including a self-motivated drive for quality and creativity.

Excellent project management skills and ability to multi-task several projects at the same time.

Flexibility to adapt to unforeseen circumstances and a strong commitment to meeting deadlines.

Extreme attention to detail and a passion for excellence in creative and technical production.

Strong creative abilities.

Experience and training in digital video production exhibited by a professional reel.

Experience and training in studio and field production including lighting, audio and camera work.

Experience and training in post-production work including non-linear editing, compositing, and motion graphic design.

Expert use of the following programs: Final Cut Pro, After Effects, Photoshop, Illustrator, DVD Studio Pro, Keynote, Soundtrack, Motion and Compressor
